Will Convert Even the Hypocrite**

ONE of the reasons given by some people for refusing to GO TO CHURCH is that there are "too many many hypocrites" going to church today.

Perhaps it is true that there are some hypocrites in church on Sunday. But these people cannot deceive the Almighty. They can only deceive men. Besides, there always is a chance that even a hypocrite will see a light. If he is constant in his attendance at church the hypocrisy is bound to disappear. Sincerity surely will follow.

Many a man has started to GO TO CHURCH just for the sake of making a good impression, and eventually he has become a God fearing, upright citizen. No man can listen to a sermon every Sunday and be deaf to the word of God as expressed by the clergyman. He is bound to be a Christian in time.

It is true that many sinners go to church. The church is the place for sinners. It is there that they will be cleansed of their sins. The church also is a place for the Godly. It gives them the strength to persevere in their Godliness. It gives them the solace of religion. Some people never go to church until they are stricken with some great sorrow. Then they ask God to help them bear their suffering. They find the consolation in church that they cannot find anywhere else. It is not fair to God to neglect him and his church until the hour of sorrow and misfortune.

The GO TO CHURCH movement is one that cannot be denied. It is the most splendid thing that was ever undertaken in this country. The cities are the better for it. The country is the better for it.

Is there the slightest reason why you should not GO TO CHURCH next Sunday?

GO.

GO EVERY SUNDAY.
